Celebrations planned for hospital opening

Well over five years of work and planning will culminate Wednesday, Aug. 5, in the official opening ceremonies and gala dinner and dance planned to mark the completion of the 100-bed Sturgeon General Hospital in St. Albert.

The two-million dollar hospital is scheduled to be-

gin accepting patients on Aug. 17.

Hospital Board Chairman William J. Flynn has issued an open invitation to all in the area to attend the ribbon-cutting ceremony which will take place at 2:30 p.m. and also to take part in the evening celebrations.

Taking part in official

opening ceremonies will be Lieut.-Gov. Dr. J. W. Grant MacEwan and Provincial Treasurer A. O. Aalborg.

A band will be on hand to provide pre-ceremony entertainment and following the ceremony, tours of the hospital will be conducted and refreshments will be served.

In the evening, a special opening banquet and ball has been arranged at the Edmonton Inn. Aperitifs will be served from 6:30 to 7:30 p.m. There will be a dinner from 7:30 to 9 p.m., followed by dancing in the ballroom to the music of Al Brault and his orchestra. Dress is optional.

Tickets are \$10 each and cover the cost of the aperitifs, dinner and dance. During the dance, drinks will be available at 50 cents each.

Hospital board spokesmen stress that this is definitely a gala social occasion with

Trailer caravan weekends here

A caravan made up of 90 airstream trailers pulled into St. Albert Friday afternoon in the midst of a downpour and with the help of walkie-talkies and expert manoeuvring by drivers who are obviously experienced at this sort of thing, managed to arrange themselves incredibly neatly in an open area adjacent to Vital Grandin School.

Official welcoming ceremonies for the over 200 travellers had to be postponed because of weather conditions on Friday. On Saturday, however, Mayor Ray Gibbon was on hand to bring greetings from the town. He was presented with a beret-part of the uniform worn by all caravaners. Also welcoming the group was Rene Kambouroff, representing the St. Albert and District Chamber of Commerce.

Activities enjoyed by the visitors included a barbecue and musical entertainment arranged by the Radio Communications Service Club of Edmonton and a square dance organized by Sid Deguire of the Saints and Sinners Square Dance Club. Copies of the Edmonton Journal were distributed by Gerry Belke, compliments of Emery's Pipe Shop.

The majority of trailers -- which ranged in size from 16 to 23 feet -- were from Florida, although all parts of the

United States were represented. There was also one trailer from Ontario and one from Calgary.

Members of the caravan met in Moose Jaw early in July and they'll disband in Southern British Columbia at the end of August. When they left St. Albert early Monday morning, they were on their way to the Northwest Territories.

Even more ambitious plans are in the works for next year when many members of this particular airstream caravan plan to tour Europe.

Organization is a byword with the group, with an advance party arranging for parking, two service wagons

to handle needs at each stopping place, a recreation director in charge of organizing activities and a clean-up party to stay behind the main group to ensure that camping spots are left spic and span.

Officials of the caravan said that, despite far from ideal weather conditions, the group had thoroughly enjoyed their stay in St. Albert and would pass along word to that effect for subsequent caravans.

Before leaving, the group presented a cheque to the town to be applied toward the arena fund. This was in lieu of the town charging for sewer and garbage services during the weekend.

Michael Furdyk (left) and his wife Ariel of 3 Savoy Place, try out the barbecue Mr. Furdyk won in a draw made recently during the St. Albert Credit Union's open house, as Manager Leo Alain offers cooking instructions. Other draw winners were Ernie Callihoo of 9 Balmoral Drive - lawn lounge chair and Philip Dunning of 7 Scarboro Place - sleeping bags. Mr. Alain reports that the promotion increased Credit Union membership by 18 and increased assets by \$9,150, with total assets now standing at \$475,855.

Garage to close after 43 years

A local landmark -- the St. Albert Garage on Perron Street -- will shortly be levelled to make way for a new office complex.

Owners of the garage, Al and Lawrence Gaulin, have announced that their property has been sold to Carmar Holdings who plan to begin work on a one-storey

office complex in the fall.

Although the Gaulin brothers have owned the garage since 1952, another brother, George, was its first owner. He bought the property, previously occupied by Levasseur's Livery Stable, and opened a garage on Nov. 1, 1927.

At that time, the highway

ran along what is now Perron Street, with just two or three buildings fronting it. The brothers estimate St. Albert's population at about 500 when the garage first opened and about 1,000 in 1952 when they took over.

In the early years of operation, much of the business involved farm machinery repairs, and for a short period in 1952-53, the garage operated a General Motors agency.

George, now retired, recalls that his brothers used to work for him until they bought out the business in 1952.

"Then I worked for them until 1966," he said.

Continuing in the family tradition have been Lawrence's son, Paul and Al's son, Philip who've both had a turn at working in the garage.

Two other long-time employees of the garage are Francois Campagna who was there for 14 years and is presently making a return visit to his native Italy, and George Kluthe who was employed there for 11 years.

The brothers say they feel "a certain amount of regret" at closing their garage and they will miss customers of many-years standing.

Neither Al nor Lawrence has taken a "real holiday" for 18 years so they're looking forward to some time off -- although future plans

Nominations closing for Junior Citizens

Calgary Power Ltd., sponsors of the annual Alberta Junior Citizen of the Year awards, have announced that the deadline for nominations is July 31.

They report that several nominations have been received but they are still anxious to hear from anyone who wishes to nominate a boy or girl between the ages of six and 16 to receive this honor. Awards are presented to young people who have shown courage, leader-

ship, initiative and good citizenship.

If you know someone in this age group whom you feel deserves recognition for an act performed between Aug. 1, 1969 and July 31, 1970, you are urged to send your nomination to the Gazette, c/o W. E. Jamison, editor.

A group award is also presented and the company reports that no nominations in this category have yet been received.

New clinic to open Monday

Dr. Steven Tarangle, a resident of the MD of Stur-

geon, will head the clinic. Dr. Tarangle also maintains an office in Edmonton.

Hospital Board spokesman Richard Fowler reports that hotel facilities have been booked to accommodate 150 couples and if at least 200 tickets have not been sold by July 29, it will be necessary to cancel arrangements for the opening dinner and dance.

Those who plan to attend, are urged to arrange for tickets as soon as possible.

Funeral service for Mrs. Donais

Requiem Mass was held Friday from St. Albert Roman Catholic Church for Mrs. Bernice Donais, well-known St. Albert citizen, who passed away on July 14. She was the wife of Armand Donais of 48 Broadview Crescent.

Besides her husband, she is survived by five children, Jan, Kim, Karen, Joel and Kelly Ann, all at home.

She is also survived by her mother, Mrs. Elizabeth Fahlman; one brother, Edward Fahlman, both of Regina; two sisters, Mrs. Irene Fraser of Regina and Mrs. Hilda Sinclair of Wayward, Saskatchewan.

Mass was celebrated by Rev. Colin Levangie and burial was in Holy Cross Cemetery.

for the two are not yet definite.

Although they had thought for some time about selling, Lawrence said, they had been thinking in terms of selling the business and not just the property.

"It was quite unexpected," he said, referring to negotiations for the sale which

were finalized around the end of June.

The garage will close about the middle of August and Carmar will take over the property on Sept. 30.

Lawrence Auction Limited of Edmonton will be conducting an auction sale Sept. 12 when all remaining stock and equipment will be sold.

Sask. Youth Band to perform here

The Saskatchewan Youth Band -- a group of 75 young musicians from all parts of Saskatchewan -- will make St. Albert one of the stops on a two-week, 1,400 mile tour of Alberta and Saskatchewan. This is the third annual tour for the group, but their first trip to Alberta.

The band will present a free outdoor concert in Lions Park on Wednesday, Aug. 19 at 7 p.m.

Alexander loses

Lethbridge Miners went undefeated through the three team double knockout provincial playoffs at the Alexander Reserve during the weekend with a final 16-0 win over the Braves.

Braves had earlier lost to the Miners 10-0 but defeated the Drumheller squad 9-4 to make it into the finals.

Lethbridge will now travel to Carmen, Manitoba, at the end of the month to represent Alberta in the national finals.

will co-operate with the Saskatchewan Department of Education, sponsors of the tour, in providing accommodation for the young people for the nights of Aug. 18 and 19. Billets will be required for these 75 young people who range in age from 12 to 19 years -- and your assistance would be greatly appreciated. If you can accommodate one or more, please contact John Kaminiski at 599-3841.

It is the hope of the Lions, that a band performance by a group of top young musicians such as these, will continue to spark interest in the St. Albert Community Band, presently being formed under the sponsorship of the club.

Director of Music for the Saskatchewan Youth Band, Herb A. Jeffrey, was for many years director of music with the Princess Patricia's Canadian Light Infantry Band both in Calgary and Edmonton. In 1964 he took up his present position as provincial band and choral consultant with the Saskatchewan Department of Education in Regina.

Band members were cho-

sen from a total of 260 young musicians who auditioned for Mr. Jeffrey and they represent 18 different community and school bands from Saskatchewan.

Plans for St. Albert's Community Band are progressing nicely, reports Director Jerry Wennes, with

70 applications received to date. It is hoped that rehearsals will get under way in the third week of September. Applications have been received from musicians of all ages and there is a possibility that both a junior and senior band will be formed, he said.

Downtown office complex planned

Carmar Holdings, a St. Albert development company, has announced plans for the construction of an 8,000 square foot office building on Perron Street. The new building will be sited next to the post office. The property presently occupies 7 the St. Albert Garage.

Negotiations for purchase of the 75 x 150 piece of property were finalized at the end of June.

The building is to be called the Professional Building and will contain approximately 15 offices.

Mr. Bernard Montpetit, spokesman for Carmar Holdings, states that demo-

lition of the garage will begin Oct. 1. It is hoped that construction on the new building will commence Nov. 1 and that it will be ready for occupancy in May of next year.

Present plans call for an ultra-modern, one-storey, air-conditioned building in a covered-mall design, with natural light admitted through skylights.

Financial negotiations are under way now, said Mr. Montpetit, adding that he foresees no problem in obtaining mortgage money. The building will be valued at approximately \$150,000.

Car crash claims St. Albert man

Nicholas Matychuk, 43, of 5 Sonora Drive, St. Albert, died July 11 following injuries received when his car was in collision with a three-quarter ton truck parked on Sunset Boulevard. The accident occurred at 5:10 a.m. Saturday. Mr. Matychuk was taken to hospital where he died at 6 p.m. the same day.

He was alone in the car at the time of the accident. The truck was not occupied. RCMP report that a decision regarding an inquest has not yet been reached.

Mr. Matychuk is survived

by his wife, Ellen, and two sons and one daughter at home. He is also survived by six brothers and three sisters.

Mr. Matychuk was employed as a pipefitter at the Sundance plant at Lake Wabumum. He has been a resident of St. Albert for approximately 10 years.

Funeral services were held July 15 at Park Memorial Chapel, Edmonton, with burial in Evergreen Memorial Gardens. Rev. Leonard J. Musto conducted the service.

Woods, Gordon study vetoed by council

Council has decided against hiring the firm of Woods, Gordon and Company, management consultants, to undertake a study dealing with the future growth and development of St. Albert.

Acting on a recommendation from public works committee which had earlier met with representatives of the management firm, council voted 4-2 last week not to accept a proposal for the study which could cost the town up to \$15,000. The study would have related more to assessment of the town's position rather than to amalgamation with the City of Edmonton.

The majority of councillors supported the view of Councillor John de Bruijn who stated that he did not think the town would get

good value for its money if the study were carried out now, "at least until the government defines what is going to happen to major metropolitan areas."

Voting in favor of the study were Councillors R. G. Wheatley and R. A. Russell. Councillor Wheatley expressed the opinion that the town does not control its own destiny but is manipulated by developers and that its policy regarding ultimate boundaries and population for the town is "woolly and vague."

Councillor Russell said he felt that outside professional help was needed especially to advise in the area of downtown development.

Councillor J. J. Bakker argued that the town has a good outline plan -- one

which is flexible enough to allow for change.

Council had decided some years ago not to go into the development business, he

said, adding that the present policy of having development handled by private firms is the best method for the town to control development.

Bernice Godden leaves guides

The guides of the first St. Albert Guide Company regret the loss of their lieutenant, Mrs. Bernice Godden. Mr. and Mrs. Godden will be leaving St. Albert, and moving to a new residence in British Columbia.

Mrs. Godden has served with the first guide company for the past nine years, as lieutenant under Guide Captain, Mrs. N. Hayes.

The first company hopes that Mrs. Godden will find much happiness, and make many friends in her new home.

During a year-end party at Lion's Park on June 29, a number of presentations were made to Mrs. Godden: From the mothers of the first company, a girl guide cup and saucer, presented by Captain Hayes; from the guides of the first company, a guide teaspoon, presented by Jackie Vandenberg, Gail Cairns, and Debbie Rutledge; also from the guides of the first company, a crest depicting the qualities of a good lieutenant, presented by Louise Dauphinais.

The sixth annual concert of Camilla School was held in the gymnasium the evening of June 5 with a large audience of parents and friends. "Meet Our Music Man" was lettered in black across the backdrop with the black and white head drawing of Mr. B. Tutschek underneath.

The principal, O. J. Broemling welcomed the parents and friends attending the concert. He commented on the work, patience, etc. entailed in such a concert by Mr. Tutschek and those of the staff helping with the program.

Sister Mary William at the piano opened the program with, O Canada. There followed 16 numbers consisting of various types of choral numbers by junior and senior choruses, junior and full orchestras, piano solos, also a violin class of grade three. Other accompaniments of the evening were, Miss Violet Brennels, Alan Brennels, Darcie Brennels, Walter Boddez, and David Link.

During the evening John Macdonell, chairman of the Sturgeon School Board presented a gift and a scroll to Mrs. Marcella McGinnis who was retiring after 18 years service on the teaching staff. Mr. Macdonell spoke briefly on the splendid musical progress made in the district and how grateful all should be to have such an able musician as Mr. Tutschek to train

Fiji, the British colony in the South Pacific, has converted to decimal currency. The former Fiji pound now is \$F2.00. One shilling is ten cents.

Camilla Concert well received

the pupils as he had over the years.

Mr. Tutschek spoke of his pleasure in seeing such a good turnout for the concert and the encouragement given by the parents to the pupils in their musical studies. He also thanked the members of the staff for their help with the concert.

Mr. Kuntz, superintendent of the Sturgeon School Division expressed his pleasure at the fine showing made by the children.

Mr. Tutschek has over 200 children enrolled in the new music program which started in 1969-70. This is over 50 per cent of pupils attending Camilla School. It is his belief that music plays a vital role in the growth and development of a child. The concert proved how much could be done with a minimum of equipment.

The main goal however, is to have a brass band perhaps next year, and a string orchestra in two years.

If the parents, school division, pupils and staff of Camilla School continue to work together and support the program as they have in the past they shall certainly achieve

their aims.

A small charge was made at the door proceeds of which was to be used to help purchase instruments for the orchestra.

NOTICE OF INTENTION TO MAKE APPLICATION FOR CHANGE OF NAME

CANADA PROVINCE OF ALBERTA

Notice is hereby given that I, MARIA MAGDOLNA JAGER otherwise known as Maria Magdalena Berze of the Town of St. Albert in the Province of Alberta, Student intend to make application to the Provincial Secretary, under the provisions of The Change of Name Act, 1961, for change(s) of name as follows: MARIA MAGDOLNA BERZE.

Kosowan and Wachowich Barristers, Solicitors, Notaries

Members of the Twins championship team in the bantam league are from left to right, back row: Brad Hoosler, Gordie Grant (assistant coach), Phil Lucas, Doug Reinbolt, Ed Howorko (coach). Front row, left to right: Gary Bruens, Gary Bondarevich, Gordie Brown, Greg Thiebert, Phil Lucas, Geoff Holden and (bat boy) David Howorko. Missing from the picture is Daryi Bruens and Ron Gosse.

Twins win bantam championship

The Twins, coached by Ed Howorko, lost the first game of the bantam playoffs 5-3 to the Orioles but came back to win two straight and capture the championship.

In the first game Orioles took advantage of 13 walks and only four hits to score their five runs. Both teams were tied three-all going into the seventh inning but Orioles capitalized on four

walks and came away with two big runs. Twins managed to get a runner as far as second base in their last turn at bats but winning pitcher T. Millman got losing pitcher Gary Bondarevich to pop up to the second baseman to end the game.

The Twins completely dominated the second game scoring seven runs in the third inning to take a 10-2 lead. Twins batters produced 20 hits with P. Lucas and D. Bruens hitting home runs. Final score was 17-2 with G. Thiebert going all the way for the victory. This set the stage for the important third and final game which was played July 4.

The Twins got two runs in the second inning on singles by L. Burton and G. Holden and a double by G. Thiebert to score both. Orioles tied the game in the fourth with T. Millman hitting a single to score M. Berard and R. Belley who had doubled and walked respectively. Twins scored two runs in the final inning on a single by Jimmy Schelbellofer who came up from the pee-wee league, a walk to G. Holden and a two run double by G. Thiebert.

Orioles could not score in the last inning as winning pitcher G. Holden put out the fire and the Twins won the game and championship 4-2.

Light fixture warning issued

The electrical protection branch of the provincial department of labour has issued a warning to residents of the area that an electrical fire hazard may exist on their premises.

According to the notice mailed last week, weaknesses in lighting fixtures used in this area have become apparent as evidenced by fires of electrical origin.

These weaknesses have shown up despite rigid tests that lighting fixtures are subjected to.

Fixtures most commonly creating problems are of the design in which the heat from the bulbs is restrained in a glass shade or globe.

The notice warns, however, that the following procedure should be taken where fixtures have been in use for some time to ensure that they are reasonably safe.

(1) Arrange for the fixtures to be thoroughly examined including the supply leads for detection of any breakdown in insulation etc. from excessive temperatures.

(2) Have all parts which show deterioration replaced or have new fixtures installed.

(3) Because fixtures are designed and intended for use with specific maximum wattage lamps, ensure that this limitation is not overlooked. Usually a "FIRE

HAZARD CAUTION" is included on the fixture to show the maximum size lamps that may safely be used.

Anyone wishing further information should contact the electrical protection branch at 229-3693.

Board vote postponed

The Alberta government has announced that it will postpone, for the time being, voting on a plan to establish an Alberta Vegetable Growers Marketing Board.

In a statement issued May 19 at Edmonton, Alberta's Minister of Agriculture, Hon. H. A. Ruste said that a total of 90 growers with a combined total of 4,350 contracted acres had registered before the announced May 3 deadline. However, he said, regulations governing such a plebiscite stipulate that a vote cannot be held unless the growers who registered have a total of at least 4800 acres under contract in the year 1969.

Mr. Ruste said he was aware that many growers may have been so busy with spring work that they neglected to mail their registration forms. Still, he said, he had no alternative but to adhere to the regulations.

SWIMMING:

There will be two sessions of swimming lessons in August: 4-15 and 17-28. Registration will take place in the Clubhouse on Saturday, July 25 from 9 a.m. to 1 p.m. and on Monday, July 27 from 6 to 9 p.m. Information about the classes offered were included in the schedule published in the June 24 issue of the Gazette. Copies of the schedule are available at the pool and the town hall.

Nine of the participants in the Mile Swim held on July 19 were successful in obtaining awards. John Edwards and Neil Ras got gold awards (under 30 minutes); Tom Kehoe gained a silver award (30 - 35 minutes); Sean Kehoe, a bronze award (35 - 40 minutes) and Lydia Kehoe, Heather Ball, Dan Kehoe and Scott Veitch, stan-

dard awards (40-45 minutes).

Since the last issue of the Gazette, the St. Albert Swim Club has participated in three invitational swim meets and came out first place on each occasion.

On July 5, the local club hosted the first swim meet to be held in the Grosvenor Park Swimming Pool. This was extremely well organized and the coach of the St. Albert team, Bernie Luttmer, and the parents of the swimmers are to be congratulated on the smooth running of the meet which consisted of an unusually large number of events; everything went like clockwork. The results were equally gratifying. Out of a field of seven teams, St. Albert had 474 points followed by Camrose with 253 and Hinton with 225.

Then on July 12 at a meet in Devon, our local club won with 300 points, while Hinton had 147 and Devon 131. At Vegreville on July 19, they were again the winners with 112 points with Fort Saskatchewan following close on their heels with 102.

This is an excellent record and they are a team to be proud of. Next Saturday they travel to Drayton Valley and our good wishes go with them.

TENNIS:

The winners of the tournament held in June were Robin Hitchen and Manfred Zeph.

The St. Albert Club had once again representatives in the finals of the city tournament held this month and they are to be congratulated on a fine showing. Judy Wood was a finalist in two events: the ladies "B" singles and the Bulletin Cup ladies' singles. She also made the finals, teamed with Clark Warren, in the "A" secondary mixed doubles.

The local club will be hosts to Fort Saskatchewan on Wednesday, July 29 in the inter-club tournament. The next novelty doubles tournament will be held on Wednesday, Aug. 5 at 6:30 p.m.

Traffic Officer (stopping motorists): "Sir, your wife fell out of the car three blocks back."

Motorist: "So that's it! I thought I had gone stone deaf."

Calahoo WI news

The 114 meeting of Calahoo Womens' Institute was held June 23 at the home of Mrs. R. Schimmermund with all 13 members present. Since June is set aside as visitors month it was our pleasure to invite the Villeneuve Catholic Womens' League and 11 members came to share friendship and merriment with us.

The regular order of the meeting was followed after which District 11's constituency convener and our fine president Mrs. Kris Dahlheim explained what this group would be required to carry out at Klondike Days this year. It was decided to take the afternoon hours on July 30 and Winterburn W.I. will be there in the evening. Since Mrs. Victor Albrecht can't be contacted by phone, those going will meet at her home

By J. Huberdeau

Despite tremendous effort on the part of the Lions of District 373 of Lions International, Virgil Moshansky of Vegreville was unsuccessful in his bid for the position of third vice-president of Lions International at their 33rd annual convention in Atlantic City.

It was a tremendous campaign with some 6,000 delegates from all over the world casting ballots to choose the man who would, in three years time be president of the largest service organization in the world.

In a hard fought race they chose another Canadian, Tris Coffin of Montreal as their new third vice-president with a close margin of only 1,000 votes.

Prominent among the campaigners were seven Lions from St. Albert who buttonholed candidates on the famous boardwalk, sang along with Klondike Kate on the trolley that toured the city, passed out campaign literature at the hospitality booths, tacked up signs in convention hall, carried placards in the hall or on the boardwalk or bent elbows with Lions from France, Texas, Pennsylvania, or numerous other places in the dining halls or bistros

to plan proceedings.

In reply to Mrs. Lefsrud's request for an article for the sale to help the Federated Women's Institute of Canada (FWIC) it was decided to send a cheque so that a WI cup and saucer can be sold.

The door prize was won by Mrs. Felina Borle.

To get better acquainted with our visitors, our group drew names and the CWL drew the matching name and presto we had a supper partner, and visiting during lunch was very rewarding. Happy birthday was sung to Alice Schimmermund and Betty Albrecht.

There will be no meetings in July or August but we'll resume in September and meet at Mrs. Myles Kerr's home.

St. Albert Lions in Atlantic City

of the city.

Lions Bill Webber, John Kaminski, Rock Holman, Rod Thordson, John Huberdeau, Mils Hovedskov, Jim Kimball and wives Lucy Huberdeau and Joan Webber are all about two feet shorter on

the return from Atlantic City July 5 than when they left. This was because of all the walking on the famous boardwalk. But they can be very proud of their contribution to the Moshansky campaign and to Lionism as well.

Mr. and Mrs. Donald Wickins of Edmonton wish to announce the engagement of their daughter, Jeannette to Richard Dubois, son of Mr. and Mrs. John Dubois of St. Albert. The marriage will take place on Saturday, July 25 at 3 p.m. at St. Albert Catholic Church.

The song says: "These boots are made for walkin'" -- and that's just what a pair of size 6 cowboy boots appears to have done. Left outside Sir Alexander Mackenzie school on the last day of classes, this pair of almost-new tan cowboy boots just up and walked away. Their owner, a grade five boy, would dearly love to have them back (as would his mother) so if your youngster somehow managed to end up the year with an extra pair of boots, your co-operation in phoning the owner at 599-5392 would be much appreciated.

Again on the boot question at Sir Alexander Mackenzie School, another mother asks if some Cinderella is squeezing her right foot into a red-lined white rain boot that's two sizes too small. It seems her daughter ended up the term with a size one and a size three boot. If your daughter's in the same fix, just call 599-4651 so an exchange can be made.
